## Our Monthly Communications are Changing

This is the initial monthly edition of "In the Spirit" – the enhanced month-end edition of the Eweekly, which replaces the former Newsletter. The paper copy will be available a few days later. Future editions of "In the Spirit" will be emailed on the last Thursday each month with paper copies available a day or two later.

### Submitting Material

For now, there is no change in how you submit material that would previously have gone into the Newsletter.

- The 15th of the month is still the submissions deadline for former Newsletter material
- Please submit jpegs not pdf

The deadline for regular Eweekly material continues to be 3 PM each Tuesday with material emailed to [eweekly@victoriaunitarian.ca](mailto:eweekly@victoriaunitarian.ca)

## This Sunday's Service, March 5th

Sunday, March 5th, 10:30 am

Understanding Dementia and Living With It

Karla Thomson, Homilist

Lynne Bonner, Worship Associate

Karla Thomson, a long-time member of this congregation, will share ways to understand and cope with some of the challenges dementia presents. "Don't be afraid of the word dementia," Karla tells us, "I will try to help you understand it in a different way." Karla and Jim joined the First Unitarian Church of Victoria in 2004, when they moved here from Quadra Island.

## Sunday Services for the rest of March 2023

Sunday, March 12, 10:30 am

*Everything is Holy Now*

Reilly Yeo, Homilist

David Vest, Worship Associate

As Unitarian Universalists, what makes us particularly vulnerable, and how is that vulnerability a source of strength? By letting go of traditional religious ideas of the holy as something limited to specific sanctified church experiences, we opened ourselves up to a world where – to quote Peter Mayer – everything is holy now. This means that we suffer alongside the natural world, but also that we can draw tremendous solace and inspiration from it. Come join Reilly as she continues to explore reverential naturalism, and the ways that her experiences working at Victoria General Hospital shaped her perspective of our UU faith.

Sunday, March 19, 10:30 am

*The Happiness of a Broken Heart*

Reilly Yeo, Homilist

Fran Pardee, Worship Associate

"To find true happiness, you must first have a broken heart." These are words from the anthem for this service, "To a Dancing Star," by Robert Espindola. Being vulnerable is challenging, but it's also how we connect as human beings.

*Who Gathers the Comforter's Tears*

Kim and Jan Dawson, Homilists

Rosemary Harrison, Worship Associate

As a clinical psychologist, Kim has helped many folks struggling through trauma. And as an animal advocate, Jan has helped many traumatized dogs. We've surely butted our heads and hearts against the hard edge of compassion fatigue, the feeling that we simply cannot take any more of the pain and suffering of the world. With all of the situations in the world today, it is understandable that many of us are familiar with compassion fatigue. What do we do with that feeling? How do we cope when we feel hopeless? For us, it started with making a choice to do something...but with so much need out there, how to choose? We will share how we found a way to bring together our areas of interest by helping both the human and animal survivors of domestic violence.

## Covid Guidelines for March

### Why are we still asking you to wear a mask in the Sanctuary?

BC has now entered cold and flu season and **health experts are urging people to wear masks at indoor gatherings** to stop the airborne transmission of respiratory viruses, including COVID. The Omicron variants have been dominant in Canada for some months and they spread faster and evade immunity better than earlier strains. Now another new strain is starting to emerge that is sounding alarms about contagiousness, severity, and health-system impact. For more details, see this article from the Jan. 6 Tye: [The 'Kraken' Virus Is Here. What's the Threat Level?](#)

We want to keep our congregation safe and do our best to prevent any additional pressure on BC's strained health

general alignment with the BC COVID-19 guidelines while taking a more gradual approach and in consideration of the large number of vulnerable elders in our community.

Our guidelines have also been informed by recent research on COVID rates in the Capital Region and recent studies about the long-term effects of COVID infection, including the following:

- [Number of Canadians in hospital with COVID has more than tripled since last year](#)
- [Possible 69% higher risk of Alzheimer's for older COVID survivors](#)
- [COVID-19 May Increase Risk of Diabetes in Children, CDC Study Finds](#)

For the most up-to-date information on our guidelines, always refer to the e-weekly rather than the Newsletter.

**1. Worship services.** All services are now hybrid, available in person in the Sanctuary and the family-friendly Lion Lounge, or by Zoom. There are no capacity limits, no registration, and no vaccine mandates. Please respect others' comfort levels for social distancing and mask wearing.

**2. Masks.** The Sanctuary is designated as a mask-only zone Sunday mornings until noon, while masks are optional in the Lion Hall. We will ask people to mask as they enter the Sanctuary, and provide masks to people who do not have one. Masks may be temporarily removed by officiants, readers or for singing a solo. Microphone covers, which we use when speakers remove their masks, are being used as long as we continue wearing masks.

We recognize that it is impossible for us to guarantee 100% mask compliance in the Sanctuary. Some are concerned about the fact that some folks aren't able to keep masks 100% tight fitting over nose and mouth 100% of the time. Others find that wearing a mask at all makes it too hard to breathe or hear/read lips. Sadly, we can't meet everyone's needs in a single space when some of those needs are in direct opposition to one another. The best we can do is offer different options for worship participation that accommodate the different needs (including Zoom viewing at home and unmasked in-person viewing in the Lion Hall).

**3. Groups.** Committees, groups, teams, and choirs in rehearsal may gather in the church or elsewhere, masked or unmasked, at the discretion of the group.

**4. Singing.** For Sunday morning services, the choir and the congregation may sing with masks.

**5. Air Circulation.** The Lion Hall, Farmhouse Common room and office have HEPA filters installed for air circulation. The HEPA filters should not be used in these locations when the windows or doors are open. The sanctuary's fans run continuously when the room is in use, completely replacing the air in the room every 20 minutes; it is important to keep the windows closed for proper circulation.

**6. If Symptomatic.** Anyone who has been diagnosed with COVID-19, or who has tested positive for COVID-19, or who has [symptoms of COVID](#) should not participate in small group activities in person and should not come into the Sanctuary or Lion Hall. If you have COVID symptoms, consult [the BC Centre for Disease Control for information on self-isolation and self-monitoring](#). Isolation rules vary depending on whether you actually had a positive COVID test, your age, whether people you come in contact with are fully vaccinated or not, and whether you are fully vaccinated yourself.

**7. Children's and Youth's Programs.** Children's and youth's programs have resumed. Contact [Anna Isaacs](#) for details.

### Anawim Companions Society

For more than 30 years, Anawim Companions Society has operated Anawim House. It is a day house for men living in poverty who are trying to find a better life for themselves. Anawim offers meals, hot showers, laundry and friendship.

Anawim's mission statement has always been to help those who want to be helped. They are a substance free facility that provides for those basic needs and security to which every individual is entitled. Above all, it is a home people can come to and feel safe and cared for, while being a part of something bigger. The Society does their best to provide that feeling of being part of a family, because they firmly believe connection is the opposite of addiction or personal chaos. By building a trusting relationship with the person, and setting them up with personalized supports, they believe they are setting the person up for success.

[Subscribe](#)[Past Issues](#)[The purpose of Anawim Companion Society is:](#)[Translate ▼](#)[RSS](#)

- To provide for the charitable needs of people living in physical, emotional, spiritual, and social poverty.
- To provide help, care, and counsel to such persons in a way that invites self determination, mutual participation and the enrichment of love, dignity, and purpose in their lives.
- To provide for the advancement of education, understanding and companionship to such persons, to promote and achieve in whole or in part the purposes of the Society.

### **News Flash!!**

Anawim Companions Society has officially broken ground on its new Women's House in Victoria, BC following the success of the Men's House,

The project, a dream of Anawim's for many years, was kick started by an incredibly generous person who donated her property outright for this very purpose. Not only will Anawim's Women's House provide safe transitional housing support for women looking to make a meaningful change in their lives, but it will also strive to provide residents a sense of community and belonging. Incorporating Anawim House's established 'Family Model' approach, the Women's House will be able to provide a secure residence to women at risk of homelessness due to poverty, fleeing violence or various health issues. It is anticipated that the women's residence will be ready for occupancy by late summer.

Your generous donations will help to provide the financial assistance to keep food on the plates, hot water for showers and a warm welcome for Victoria's neediest people.

## While Our Ministers are Away

### MINISTERS' SABBATICAL: March, AND June 2023

Reverends Shana and Melora receive one month of sabbatical leave for each year of service to our church. In order to avoid a long absence, they have been experimenting with "mini-sabbaticals" - taken more frequently. The first one was for two months in 2021.

The Board has approved a three month "mini-sabbatical" in 2023 with the first part being for the months of February and March, and the second part being the month of June; followed in July and the first part of August by the ministers' annual two weeks vacation and annual four weeks study leave.

While the ministers are away, the Committee on Ministry (email: [committeeonministry@victoriaunitarian.ca](mailto:committeeonministry@victoriaunitarian.ca)) will serve as the Sabbatical Team, a hub for overseeing the ministry of the congregation, in concert with the Care and Concern Team (for pastoral care needs) and the Worship Associates (for vibrant worship led by guests and lay leaders). Included below is a detailed list of contacts available during the Sabbatical.

**ABOUT SABBATICALS** A sabbatical is a period of rest and renewal that allows our ministers an opportunity to do some deep study and reflection, learn new skills, and renew their energies. As a condition of their employment our ministers earn one month sabbatical leave for each year of service to the church. While our ministers are away the congregation can experience again the fact that the church isn't just the ministers, nor is it the building; it is the people – the community we form and the work we do together to make our mission a reality.

## United for Old-Growth March & Rally - Update

Extreme cold and snow was forecast but Unitarians showed up on Saturday for the United For Old Growth March and Rally.

Our striking UU Social Responsibility banner brought up the rear of the entire March as we sang favourite songs such as 'Lead With Love'. People around us joined in to amplify the message.

Thanks to the many Unitarians who carried the church banner, placards and GVAT banners. It turned out to be a very fine day in many ways.

### Memorial and Celebration of Life for Helle Kallas (Helen Dunbar)

Saturday, March 18, 2023, 2:00pm Pacific Time

Many of you may remember the woman with a big smile who loved to chat, and who attended Sunday services regularly before COVID struck. She was in a wheelchair, taking the Handi-dart from Fernwood and waiting patiently for it to arrive and take her home. Helle passed peacefully on February 2, 2023. Helle loved being part of our community, and it meant a lot to her. She expressed a strong wish for a celebratory party at the church. All members and friends are warmly invited to attend her memorial and celebration service, and to consider bringing finger food (sweet or savoury) to share.

### Joe Coughlin, Sunday, March 19th, 2023 @ 7:30

Joe Coughlin, with 4 decades of succession jazz, easily ranks as a Canadian Jazz Legend and National Treasure, reflecting the heyday of the great jazz vocalists like Mel Torme, Frank Sinatra, and Tony Bennett. A master of the Great American Songbook, Joe oozes cool with his warm, sweet, and supple baritone. Through three decades, his eighth just released album, one Jazz Report Award, and two National Jazz Awards, Joe plumbs the emotional and musical depths of the greatest timeless tunes. Joe Coughlin epitomizes the real deal.

## Artist of the Month Carol Bednarski

**Carol Bednarski - Artist of the Month for March**

I am a self taught artist and would classify my style as abstract/impressionism. My work is characterized by bold

[Subscribe](#)[Past Issues](#)[Translate ▾](#)[RSS](#)

landscapes, florals and seascapes. Not seeking to perfectly render a scene or capture exact detail, but rather to capture the feeling and emotion. At the same time I'm chasing beauty. I like to start a painting with no intention or plan, laying down colours, shapes and lines, responding in the moment. I will add layers, scraping into the paint, until I start to see something take shape. Often a landscape, sometimes a flower emerges. This is when I get excited and start to pull the image up from the canvas, still trying not to think too much and allow it to flow without force.

Art and the journey of creating reflects the journey of life. For me it's about trust. Learning to trust and accept what is and being fully in the moment, authentic and honest. It's not even about the final result, (although it's lovely when I create something I love), for me it's really about the bravery it takes to face a blank canvas, overcome my fear, and just paint.

## Pollinator Garden and Youth Fundraiser on April 2nd

Nancy Dobbs, Anna Isaacs, Marion Pape, Evelyn Peters, John Worton

Later this spring work will begin on constructing a pollinator garden on the front lawn of the First Unitarian Church of Victoria (FUCV). The initiative is supported by the Board, THRUU and the Gardens and Grounds Committee. Indigenous people have suggested that establishing this type of garden is an act of reconciliation, putting back what settlers removed and supporting native pollinators. The garden addresses the 7th principle of Unitarian congregation: "Respect for the interdependent web of all existence of which we are a part." It also meets a goal of the FUCV's One Planet Saanich Action. The location at the front of the FUCV property communicates these values in practice to passers by.

We have been able to keep the costs low through several initiatives. One of our new members, Delisa Lewis, has volunteered skill and machinery to strip the layer of sod from the site and build a berm. Several members have volunteered to assist. There are numerous native plants sowed in flats in Bob Stock and Evelyn Peter's back yard and these will be repotted with the assistance of THRUU members for planting in fall. Evelyn Peters and Fran Pardee dug up shoots of Oregon Grape from one of the FUCV beds several months ago and 12 of the 14 shoots appear to be growing. We have secured a grant for additional plants from Pollinator Partnership Canada and we will apply for another grant, as well. However, we still need to purchase weed-free soil and mulch and some other materials.

At a ProD day last fall the youth planted Sea Blush, Native Yarrow, and Nodding Onions seeds. These are now growing and will be available for sale after the service on April 2<sup>nd</sup>. The proceeds from this sale will be split between the Pollinator Garden and the Youth Group. Did you know that the coloured Yarrow many of us have in our gardens hybridizes with native Yarrow and contributes to its loss? Get some native replacements at this sale!

You can contribute directly to the Pollinator Garden in a variety of ways: 1) buy a plant on April 2<sup>nd</sup>; 2) donate a native plant growing in your own garden; 3) volunteer; 4) donate by making a check out to the First Unitarian Church, with the phrase "Native Plant Garden" in the memo line.

## GVAT Takes Stock

Greater Victoria Acting Together (GVAT) is still functioning—last October's successful General Assembly on the Housing Crisis proves that. However, the COVID pandemic threw a spanner in GVAT's works, as it did for many

talk of another Assembly, perhaps to do with the Climate Crisis, but that hasn't happened. Time to take stock to see if we can't get the ball rolling again!

GVAT's Board hired a consultant, Sonia Theroux. She submitted a report in December/January *A Handbook to Guide Planning Decisions and Activities for 2023 and Beyond* based on interviews with many of GVAT's leaders and workers. She found there are different written versions of GVAT's vision and mandate. She found that decisions are made without everybody knowing about them, and that decision-making roles of some committees are unclear and overlap. She suggested decision methods for leadership teams to consider and an order in which to consider them. She suggested we continue to develop new leadership that would include greater diversity and be more representative of the community.

So what *are* GVAT's vision and mandate? GVAT's bylaws list three purposes: 1) to educate society's citizens in methods, knowledge and tactics for advancing the common good; 2) to develop leaders who will turn this education into action; and 3) to strengthen the ability of like-minded organizations to cooperate in advancing the common good. Tackling the diversity issue requires learning about the needs and priorities of groups we'd like to see better represented in GVAT, such as younger people and Indigenous communities.

"Decisions are made without everybody knowing about them"? wrote Sonia. In an organization of organizations like GVAT, communication is paramount. Our church is lucky in having a Core Team that does its best to inform our congregation, but many, perhaps even most member organizations don't have a Core Team.

Sonia's 30-page report, with another 30 pages of appendices, will give GVAT's Board plenty to think about and then act on. What is clear is that taking stock is a vital step now to moving GVAT forward.

*For information about GVAT and its activities, contact a GVAT Core Team member: Susan Layng (lead), Lynn Beak, Patty Disbrow, Marion Pape, Evelyn Peters (Board liaison), Bob Stock, Pam Hood Szlvek, Donnie Jennings, and Philip Symons (secretary). New members always welcome!*

## Indigenous Matters: Doctrine of Discovery

### **Indigenous Matters: Doctrine of Discovery**

*One of the elements of the May 19, 2023, CUC AGM is a motion for the CUC to repudiate the Doctrine of Discovery. The UUA repudiated the Doctrine of Discovery at its general assembly in 2012.*

*The Doctrine of Discovery is the legal principle that European countries acquired the underlying title to Indigenous Peoples' lands upon 'discovering' them. Assumed Indigenous inferiority was translated to mean that while Indigenous Peoples had the right to use and occupy land (usufructuary rights) they did not own the lands they occupied.*

The Doctrine of Discovery is inspired by racist 15th century papal bulls dividing up "uncivilized" Indigenous lands for European powers. It made its way into Canadian law in the 1880s through the *St. Catherine's Milling* decision.

While it has been repudiated around the world, the Supreme Court of Canada has grounded its interpretation of section 35 of the constitution on the same dubious and racist legal principles that underlay the Doctrine of Discovery. The often-used phrase '[assertion of Crown sovereignty](#)' is a Canadian euphemism for the Doctrine of Discovery.

In 2022, THRUU facilitated two study sessions where participants watched and then discussed a film produced by the Anglican Church to describe and critique the implementation of the Doctrine of Discovery in the Canadian context. This [link](#) breaks the film into sections and includes a study guide for each so you can explore the Doctrine yourself, if you didn't get a chance to participate in the study sessions.

*Indigenous Matters is produced by the Truth, Healing and Reconciliation team of Unitarian Universalists (THRUU) in Victoria. Its mandate is to identify and facilitate opportunities for education and engagement, in the interests of contributing to the spirit of reconciliation between Indigenous and non-Indigenous people in Greater Victoria. If you are interested in joining this group, please contact co-chairs Karen Christie ([karen.christie8@gmail.com](mailto:karen.christie8@gmail.com)) or Evelyn Peters ([Evelyn.Joy.Peters@outlook.com](mailto:Evelyn.Joy.Peters@outlook.com)).*

## Memorial Team

When a member, friend or sometimes a family of a member, of our congregation dies, loved ones of the deceased usually desire a memorial gathering, and usually in our church building. Members of the neighborhood group (NG) that the deceased was part of, are the first ones to be asked to help facilitate the memorial and the reception following.

Our church also has a memorial team. It is made up of volunteers that are willing to step in on an ad hoc basis to help with the tasks necessary to host a memorial if a NG is unable to fulfill that role. The tasks include set up, clean up, ushers and greeters. Sometimes as a church community, we support a grieving family, and the deceased is known to very few or unknown in our congregation. This can happen when:

- an elderly member has been unable to attend or be active at church because of declining health and abilities
- the deceased recently moved to the Victoria area
- the grieving family is part of our community, but the deceased is not

**If you would like to consider joining our Memorial Team, please contact Nancy Dobbs at 250 652 5438 or [nandobbs@telus.net](mailto:nandobbs@telus.net)**

## Our Caring Corner

Our Care and Concern (C&C) Team at First Unitarian Church of Victoria and our co-ministers are continuing with this new way to share information with our church community as we come out of this time of COVID-19 induced isolation. In our Caring Corner, we will list the names of those members of our community who welcome our support as they cope with a loss, illness, or other life concern. We ensure that each individual is comfortable with having their name uplifted in writing in the EWeekly, shared aloud in the prayer and meditation time in the Sunday service, or both before doing

## Our Caring Corner

**Glenyss Turner** is having spine surgery at Victoria General Hospital on March 3rd. She is having a minimally invasive discectomy which will remove fragments and debris from a severely herniated lumbar disc which is compressing nerve roots. This should be a day procedure, but she is to avoid bending, twisting and lifting more than 5-10 pounds for three months after surgery, after which she can start physiotherapy. Her husband, **Jim Willis**, is recuperating very well after quadruple bypass surgery in October. He is now in a closely supervised cardiac rehab exercise program and enjoys walking. He will need to help Glenyss as she recovers. Jim hopes to be back in his church Board duties by the summer. Thanks to all our loving congregation for their care and support!

**Stu Whitney's** sister, Mrs. Jean Alberta Cathro (nee Whitney) died the morning of Saturday, February 18, 2023. She was 104 years of age, a resident of Mount St. Mary, 861 Fairfield Road, Victoria. Jean was the eldest of five siblings of which Stu, the youngest, is the sole survivor. Jean's demise was at the hands of old age. She will be remembered for her optimistic outlook on life. Most of you know that Stu is profoundly hard of hearing and has to guess at what people say. Email and/or written notes are his preferred means of communication (stuwhitney@shaw.ca).

Please consider this an opportunity to reach out to others. There are an infinite number of ways to express caring: a short hand-written note, an email or text message, a chat on the telephone. Perhaps a moment of holding someone in need in your thoughts and heart!

Whatever you are moved to do is perfect!

## Neighbourhood Group Care & Concern Contacts

The times are uncertain, but neighbourhood groups continue to be a resource!

All members, friends and newcomers to the church are invited to be part of the Neighbourhood Group where they live.

Plus, The Care & Concern contact for each N.G. keeps tabs on members who may need extra assistance.

If you don't know which group you are in,

please phone Kathy Vinton at (250) 882-8650 or via e-mail at [kathyvinton2@gmail.com](mailto:kathyvinton2@gmail.com)

## CUC Annual General Meeting 2023

Friday, May 19: In Person and Online via Zoom, 10:00 am PT

The CUC's Annual General Meeting (AGM) takes place on Friday, May 19th. It's a time to attend to the business of the Council and a chance for congregations and their delegates and members to be involved in making decisions that affect our national faith community.

The AGM is open to all and free of charge, and observers may attend in-person or online. The AGM will be held on the campus of Algonquin College in Ottawa; Zoom will be used for virtual participants.

All delegates must be [registered](#) by **May 1, 2023** in order for your congregation to vote.

### AGM Motions

A motion to revoke the Doctrine of Discovery. A motion to update the CUC's bylaws. A motion to reimagine goals and strategic priorities for our national faith community.
